A SIMPLE SAFE SOLUTION FOR NON CYSTIC ACNE AND MOST SKIN RASH!

Acne and skin rash are both very common and emotionally damaging! The sad part is that they are so easily treated, so here is a safe and simple solution that works in days!

First, understand most acne, pimples (zits), blackheads and skin eruptions are caused by bacterial infection, in your skins oil glands. Often due to an overproduction of oils during a hormonal imbalance. Proper nutrition is also important. Thus, you need a penetrating bactericide, so we suggest an all natural, safe and inexpensive solution of silver ions in pure water.

SILVER HYDROSOL IS REPORTEDLY ALSO A VERY POWERFUL ANTI-INFLAMMATORY AGENT & LETHAL AGAINST PARASITE EGGS.

The truly amazing results reported by testimonials often goes beyond antimicrobial actions! The basis of silver hydrosol's anti-inflammatory action appears sound, based both on its excellent efficiency on skin burns (severe physical tissue damage) poison ivy, oak and sumac (immune system induced tissue damage)! There are also numerous references on the web of its efficiency against fire ants, bee stings and spider bites.
